These Conditions of Sale apply to all Lots entered in the "Scandinavian Open Yearling Sale" 2016

1) Parties:
   a. The Purchaser shall be the highest bidder acceptable to the Auctioneer subject to right reserved by Dansk Galop to fix a minimum selling price and subject to any reserve price.
   b. The Vendor shall be the person or persons stated in the Dansk Galop sales entry form to be the owner or owners of the Lot.
   c. The Organiser shall be “Dansk Galop”.

2) Entries for the sale should be received by special application forms that can be obtained at the Administration of Dansk Galop, Klampenborgvej 52, 2930 Klampenborg.
   Deadline: Wednesday the 15th June. Cost: 2.000 DKK (2.500 SEK) excl. VAT (price includes Stabling).

3) Scandinavian bred yearlings and a maximum of five yearlings bred outside Scandinavia, but imported and registered as foals in Scandinavia, will be presented at the auction.

4) Entries shall include:
   a. Any particular information the Vendor wishes to be included in the Catalogue.
   b. Notes on possible faults, incl. windsucking, cribbing, weaving, wind problems and/or operations.
   c. The Vendor’s VAT number.

5) Each Lot presented at auction shall be there at the Vendor’s risk from the time of arrival for the period the Lot shall be at the auction premises and should be accompanied by a Veterinary Certificate stating:
   a. The horse has had basic vaccinations against influenza (min. 2 x vaccinations) with the most recent being max. 14 days before the sale.
   b. The horse comes from an area that for min. 14 days before the auction has been free from contagious diseases.
   c. Colts possess normal, descended testes.

6) Only the Conditions printed in the catalogue are binding.

7) The Vendor is responsible for the accuracy of all information concerning the pedigree, description and health of a Lot.

8) The order in which Lots are presented at Auction is decided via draw though horses bred outside Scandinavia will be presented first. Horses who fail to arrive at the specified time will be presented for sale last.

9) The Vendor is obligated to present the entered Lot at the auction. Lots can be withdrawn before the 1st of July without any cost to the Vendor. A withdrawal fee of 2.000 DKK is payable on Lots withdrawn after the 1st July but before the 1st August.
   Withdrawals at a later date than this will not be accepted unless due to sickness whereupon a Veterinary Certificate is required.
   A fee of 2.000 DKK will apply to Lots withdrawn on grounds on sickness if such Lots are then sold/exported before the 31st December 2016.
10) If the Vendor wishes their Lot to be subject to a reserve price, which shall be the minimum selling price, the Vendor must submit the relevant documentation informing the Auctioneer of the reserve price min. 30 minutes before the Lot is presented in the sales ring.

11) The Vendor is responsible that the correct Lot, as identified in the catalogue, is presented in the sales ring.

12) Minimum bid is 10,000 DKK.

13) Vendors of unsold Lots in excess of 75,000 DKK are subject to a fee of 5% on the excess.

14) The Organisers accept no responsibility for Purchaser’s payment or non-payment of sold Lots.

15) All Lots are sold in the condition in which they are presented at the fall of the hammer. The Organisers accept no responsibility for the condition of the purchased Lot.

16) Complaints relating to Condition 4 should be submitted at the latest 48 hours after the date of the auction or sooner if the Lot should be exported.

Complaints relating to other issues should be submitted no later than 30 days after the date of the auction. Private sales do not fall under “Købeloven”.

17) Payment for Lots purchased + 5% commission and relevant VAT should be received immediately after hammer fall.

At the Organiser’s discretion – unless the Vendor objects – credit can be arranged for up to 30 days after the auction.

18) Until payment is received, the Vendor is further responsible for covering the cost of insurance of the purchased Lot – at 0.5% of the selling price (incl. VAT + commission) – until the next 1st of the month after the Lot has been paid for. For Lots due to be exported, VAT can be excluded.

19) All payments should be transacted through the Organisers.

20) In the event of a dispute, the Auctioneer, even after the fall of the hammer, reserves the right to reject any or all bids, or to invalidate the sale and put the Lot up again for re-sale.

21) The ownership of a Lot is transferred to the Purchaser only after the full purchase price has been paid, together with any interest accrued thereon.

22) Should the purchased Lot become ill, injured or die after the fall of the hammer but before ownership has been transferred to the Purchaser, the Purchaser is nevertheless required to pay the entire purchase price.

23) If a Lot is purchased by an Agent on behalf of another party, it is done so at the Agent’s own risk.

Upon non-payment of a Lot, the Organiser reserves the right to bill the Agent directly for the purchased Lot.

If a Lot is purchased by a Syndicate or Partnership, him that stands as representative or guarantor will be liable for payment.

24) Purchased Lots for which payment has not been received within the specified time will result in the Purchaser or their Agent being liable for:

   a. All costs incurred during the time period the Lot has remained unpaid for.
   b. Interest on unpaid accounts of 1.5% per month.

25) Any dispute which arises from the understanding or misunderstanding of the above conditions or in connection with the sale of any Lot shall be governed in accordance with the Laws of Denmark and the Courts of Denmark. If parties are agreed, the dispute can be settled by a disciplinary panel selected by Dansk Galop’s Board of Directors which would comprise of three members elected by Dansk Galop and two further members – each of which will represent a disputing party.

Criteria for the use of International and “Scandinavian Black Type”

Dansk Galop (The Danish Jockey Club) is not responsible for any typing or typographical errors in the catalogue.

The Black Type used within the catalogue is subject to the standards of the ICSC (International Cataloguing Standards Committee). “Scandinavian Black Type” is used within Sweden, Norway and Denmark to highlight performances made in “Classic Races” and other notable races as shown in the list below.

In the catalog, horses that have won or been placed second or third in approved Group- or Listed races are marked in bold (Black Type), while the Black Type race status also is indicated in bold, i.e.: (Gr2).

The Pattern Race system was established in 1971, and horses who before 1971 have won or been placed in the subject races, which later received the status of Group or Listed, are also marked in bold, but without indication of status.

In addition, horses that have won or been placed second or third in a series of Scandinavian races are shown in “semi-bold”. This applies to the following races:

- All Scandinavian Classic Races (Derby, 1000 Guineas, 2000 Guineas, Oaks and St. Leger)
- Norsk, Svenskt and Dansk Kriterium
- Skandinavisk Opdrætningsløb
- Skandinavisk Mesterskap for 2-åringer
- The Heatherwold Cup
- Malmö Stads Pris
- Amacitalöpning
- Vinterfavoriternes Ærespræmie, Vinterfavoriternas Pris
- Skandinavisk Mesterskap for 3-åringer
- Breeders’ Trophy Juvenile, Breeders’ Prize Classic, Breeders’ Trophy Classic, Breeders’ Trophy Mile, Dansk Breeders Cup

The above list of races is NOT officially approved by the European Pattern Race Committee.
